U.S. Department of Energy, 1000 Independence Avenue, SW., Washington, D.C. 20585;
telephone (202) 586-3787; email crenel@hq.doe.gov.

SUPPLEMENTARY INFORMATION:

Background: The Commission was established to provide advice to the Secretary on the Department's national laboratories. The Commission will review the DOE national laboratories for alignment with the Department's strategic priorities, clear and balanced missions, unique capabilities to meet current energy and national security challenges, appropriate size to meet the Department's energy and national security missions, and support of other Federal agencies. The

Commission will also look for opportunities to more effectively and efficiently use the capabilities of the national laboratories and review the use of laboratory directed research and development (LDRD) to meet the Department's science, energy, and national security goals.

Purpose of the Meeting: This meeting is the ninth meeting of the Commission.

Tentative Agenda: The meeting will start at 9:00 a.m. on May 22. The tentative meeting agenda include the impact of the National Laboratories on economic development and technology transfer, partnerships within the Bay Area, and the appropriate level of DOE oversight for its M&O contractor laboratories. Key presenters will address and discuss these topics with comments from the public. The meeting will conclude at 2:00 p.m. The agenda along with possible schedule adjustments will be posted when finalized and in advance of the meeting on the Lab Commission website (<http://energy.gov/labcommission/commission-review-effectiveness-national-energy-laboratories>).

Public Participation: The meeting is open to the public. Individuals who would like to attend must RSVP to Karen Gibson no later than 5:00 p.m. EDT on Tuesday, May 19, 2015 at email: crenel@hq.doe.gov. Please provide your name, citizenship, organization, and contact information. Individuals and representatives of organizations who would like to offer comments and suggestions may do so at the end of the meeting. Approximately 30 minutes will be reserved for public comments. Time allotted per speaker will depend on the number who wish to speak but will not exceed 5 minutes. The Designated Federal Officer is empowered to conduct the meeting in a fashion that will facilitate the orderly conduct of business. Those wishing to speak should register to do so beginning at 9:00 a.m. on May 22.

Those not able to attend the meeting or who have insufficient time to address the committee are invited to send a written statement to Karen Gibson, U.S. Department of Energy, 1000 Independence Avenue, SW, Washington D.C. 20585, or to email: crenel@hq.doe.gov.

Minutes: The minutes of the meeting will be available on the Commission website at: <http://energy.gov/labcommission>

Issued in Washington, D.C. on April 24, 2015.
